

Arms Trade Treaty
Sixth Conference of States Parties
Geneva, 17 – 21 August 2020
(By written procedure)

FINAL REPORT

The Final Report of the Sixth Conference of States Parties to the Arms Trade Treaty, which took place through written procedure, consists of four parts and an Annex as follows:

- I Introduction
- II Organization of the Conference
- III Documentation submitted to Conference
- IV Decisions and Recommendations

Annex List of Documents

I. INTRODUCTION

1. The Arms Trade Treaty entered into force on 24 December 2014 in line with the provisions of Article 22(1) of the Treaty.
2. Article 17(1) of the Treaty states that “A Conference of States Parties shall be convened by the provisional Secretariat, established under Article 18, no later than one year following the entry into force of this Treaty and thereafter at such other times as may be decided by the Conference of States Parties”. Article 17(4) (a-g) further states that “The Conference of States Parties shall:
 - (a) Review the implementation of this Treaty, including developments in the field of conventional arms;
 - (b) Consider and adopt recommendations regarding the implementation and operation of this Treaty, in particular the promotion of its universality;
 - (c) Consider amendments to this Treaty in accordance with Article 20;
 - (d) Consider issues arising from the interpretation of this Treaty;
 - (e) Consider and decide the tasks and budget of the Secretariat;
 - (f) Consider the establishment of any subsidiary bodies as may be necessary to improve the functioning of this Treaty; and
 - (g) Perform any other function consistent with this Treaty.”
3. In accordance with the provisions of Article 17, the First, the Second, the Third, the Fourth and the Fifth Conferences of States Parties to the Arms Trade Treaty were held in Mexico, 24–27 August 2015, in Switzerland, 22–26 August 2016, and 11-15 September 2017 respectively, in Japan, 20 – 24 August 2018, and in Switzerland, 26-30 August 2019. The Sixth Conference of States Parties was held through written

procedure on an exceptional basis due to the COVID-19 outbreak, which prevented the conduct of the Conference in accordance with the usual practice as contemplated in the ATT Rules of Procedure. The decision to hold the Sixth Conference of States Parties through written procedure is not intended to set a precedent for the format and decision-making of future Conferences of States Parties, or other official meetings of the ATT process.

4. The decision to hold the Sixth Conference of States Parties through written procedure was made by States Parties via silence procedure. By way of letter dated 30 June 2020, States Parties were invited to accept a proposal to conduct CSP6 through written procedure via silence procedure as contemplated in Rule 41(3) of the ATT Rules of Procedure, with a deadline set at 10 days, starting 30 June 2020 and expiring on 09 July 2020. A list of proposed draft decisions to be considered by CSP6 was included in Annex A to the letter. No State Party objected to the proposal by the deadline of 09 July 2020, and accordingly, the proposal to conduct CSP6 through written procedure was accepted.

5. On 29 July 2020, the ATT Secretariat circulated 15 draft decisions to ATT States Parties to be considered for adoption by CSP6. Each draft decision was presented separately to States Parties for consideration and adoption via silence procedure based on Rule 41(3) of the ATT Rules of Procedure, with a deadline set at 20 days, starting on 29 July 2020 and expiring on 17 August 2020. On 14 August 2020, the ATT Secretariat circulated a further two (2) draft decisions to ATT States Parties to be considered for adoption by CSP6 via silence procedure, with a deadline set at four days, starting on 14 August 2020 and expiring on 17 August 2020. In total, 17 draft decisions were circulated to States Parties. Of the 17 draft decisions circulated to States Parties, 11 were adopted by the Conference and six (6) were not, as is reflected in part IV of this Final Report.

6. On 15 July 2020, the ATT Secretariat issued an invitation to register for CSP6 to all States and stakeholders, noting that every State that registers for CSP6 would be considered to have participated in the Conference and to have been 'in attendance' for the purposes of Rule 5 of the ATT Financial Rules. The invitation also invited States and other stakeholders to submit written statements to the Conference and to inform the ATT Secretariat of any virtual side events planned for the week that CSP6 was scheduled to take place.

7. With respect to the intersessional work carried out in advance of the Sixth Conference of States Parties, the three ATT Working Groups established by the Third Conference of States Parties - the Working Group on Effective Treaty Implementation, the Working Group on Transparency and Reporting and the Working group on Treaty Universalization - progressed in their work. In the intersessional period of the Sixth Conference of States Parties, the three ATT Working Groups convened a meeting from 04-06 February 2020, during which States Parties and other stakeholders exchanged information and views on practices and challenges related to Treaty implementation, transparency and reporting, and universalization. A second meeting of the Working Groups, scheduled to take place from 14-16 April 2020, was cancelled because of the COVID-19 outbreak. Consultations on the draft documentation arising from the various Working Groups were held during the intersessional period, with stakeholders providing written comments and suggestions on the documentation to the various authors through email exchange.

8. To prepare for this Conference, an informal preparatory meeting was convened alongside the meeting of the Working Groups on 07 February 2020 in Geneva, Switzerland, the seat of the Secretariat to the Treaty. A second informal preparatory meeting, scheduled to take place on 17 April 2020, was cancelled because of the COVID-19 outbreak. Consultations on the draft documentation to be considered during the second informal preparatory meeting were held during the intersessional period, with

stakeholders providing written comments and suggestions on the documentation to the various authors through email exchange.

9. As of 17 August 2020, the scheduled opening of the Conference, the Treaty had one hundred and six (106) States Parties. In addition, three (3) states, Afghanistan, China and Niue, had acceded to the Treaty, and one (1) state, Sao Tome and Principe, had ratified the Treaty. The Treaty will enter into force for them on 27 October 2020, 04 October 2020, 04 November 2020 and 26 October 2020 respectively. Meanwhile the Treaty has thirty-one (31) Signatory States that have not yet deposited their instruments of ratification, acceptance or approval. On 18 July 2019, one of those Signatory States – the United States of America – notified the Secretary-General of the United Nations, acting in his capacity as depositary, that it does not intend to become a party to the Treaty.

II. ORGANIZATION OF THE CONFERENCE
